Greetings!

Please allow us the opportunity to introduce you to the Ralston Girls Softball Association in Ralston, NE. Established in the early 1960's, our organization is building a proud tradition of developing girls' fast pitch softball skills, summer enjoyment where girls can learn in an athletic atmosphere, establish friendships outside their neighborhoods, and prepare for future softball endeavors. Even more importantly, the organization as a whole has had a positive impact on the lives of Omaha area youth, their families, and the surrounding communities as well.

This year, for the first time, we are offering an opportunity for area businesses like yours to become a Team and/or Organization Sponsor. Your contributions will be targeted exclusively to lower the growing costs of the organization's 300 plus players, enabling them to fully participate in league play and organizational training programs. We feel our Sponsorship format can offer you more diversity and hopefully better ways to increase your advertising exposure and business prospects for the dollars you spend. Please note below a Multiple Tier Program (MTP) of participation for you to review and consider which will fit your needs for 2017. Please select your Tier Level shown below and complete the enclosed form along with your payment in the self-addressed envelope by February 27, 2017. Thank you very much for your participation in our program.

Sincerely,

The RGSA Board of Directors
